

Je reconnais les formes

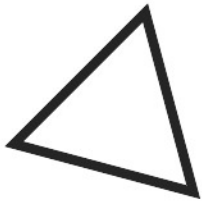

Entoure tous les carrés.

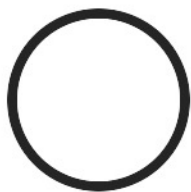

Un carré reste un carré même lorsqu'il est tourné.

Je relie chaque forme à sa famille

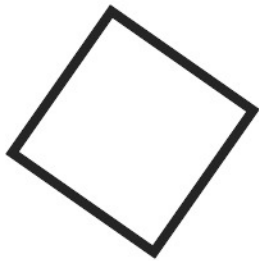

Trace un trait jusqu'au bon mot.

Astuce : regarde les côtés et les sommets avant de répondre.

Je compte les formes

Compte chaque famille puis écris le nombre.

Même forme, autre orientation

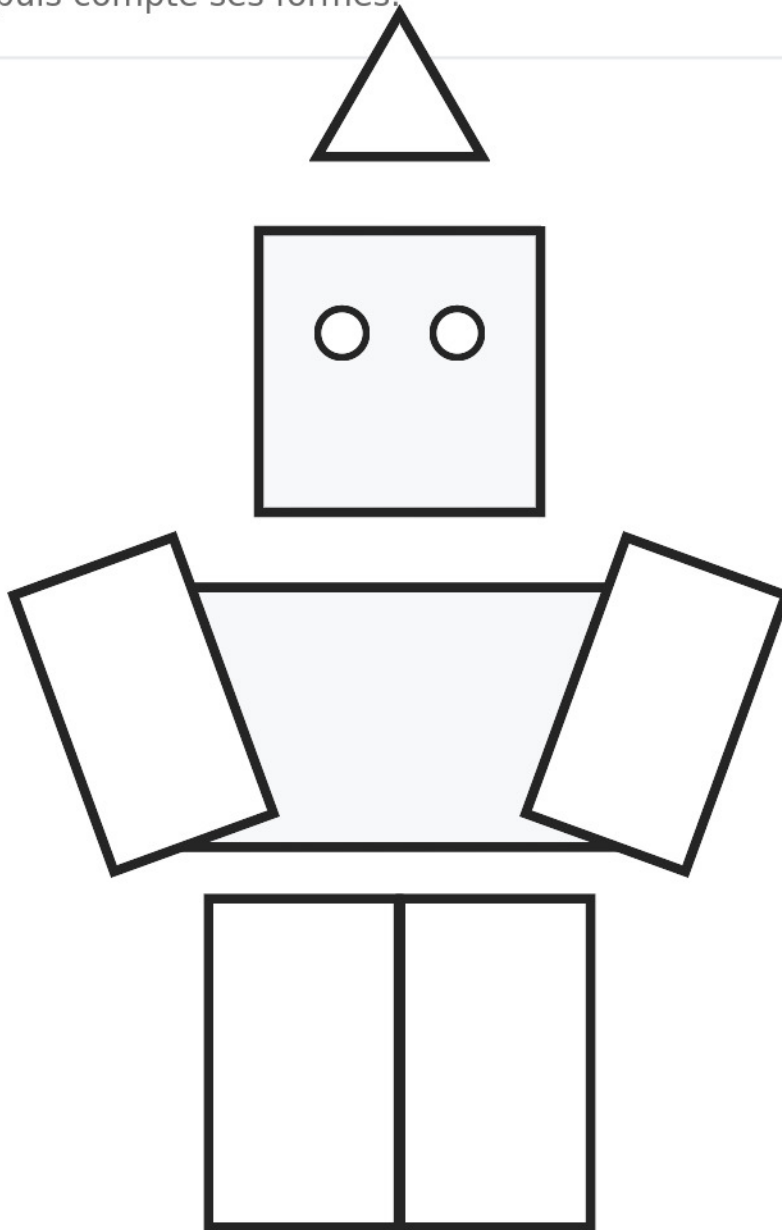

Colorie les rectangles, même quand ils sont tournés.

Tourner une forme ne change pas son nombre de côtés.

Je compose avec les formes

Observe le robot puis compte ses formes.
